

# K-1 Focus Class Descriptions

**Art Alive:** Painting fun using your fingers, your toes, and maybe your nose! An interactive art class that just might get a little messy!

**Creative Movement:** Learn various forms of dance and how you can express worship through dance. You will get to perform at the open house Thursday night.

**Garden Art:** Create little works of art for the outdoors and add to God's beautiful nature scene!

**Gardening:** Dig in!! The dirt, that is!! Learn the who, what, when and where of flowers and other plants.

**Jr. Mosaics:** Put a lot of little pieces together to make a masterpiece!

**Jr. Science:** Have fun doing experiments as you learn about God's amazing creation.

**Lil' Chefs:** Create the perfect pizza! Blend a tasty smoothie! Cook up some fun following simple recipes you can make for you and your family.

**Outdoor skills:** Jesus' disciples weren't just fishers of men, but fishermen! Have fun learning outdoor skills including making fishing lures!

**Paper Creations:** Explore your inner scrapbooker!! Make a card for your bff, a bookmark for your mom, and a scrapbook for you!

**Sketchers:** Have you doodled on a napkin, drawn on your notebook, or scribbled characters on your paper lately? If so, you will love this class as you learn how to sketch and paint!

**Sign Language:** Learn another language as you communicate with your hands and your heart!

**The World Around Us:** Does everybody you know look the same, talk the same, or believe the same? Enjoy this class as you explore the world around you making crafts and learning traditions.

**Wood Working:** Carpenters have been around since the Bible times. Using a hammer, some sandpaper, and a few other wood crafting tools, you can make a cool project and get a glimpse at what it might be like to be a carpenter.

## 2-5 Class Descriptions

**Animal Care:** Experience wildlife first-hand with Bay Area Wildlife Rehabilitation representatives. Learn how to care for injured wild animals.

**Battles of the Bible:** Did David really take down Goliath with a sling shot? Did the walls of Jericho really just crumble down? Come learn interactively about the secret weapon the men of God had on their side!

**Beading:** Using beads and strings and ribbons, create beautiful things to remind you of God's love and kindness.

**I Team:** You are not alone! In this class you will do fun activities as you find your place on the team.

**Cake Decorating:** This class is literally the icing on the cake! Learn how to make edible masterpieces to eat and share.

**Creative Movement:** Learn various forms of dance and how you can express worship through dance. You will get to perform at the open house Thursday night

**Cooking:** Create the perfect pizza! Blend a tasty smoothie! Cook up some fun following simple recipes you can make for you and your family.

**Garden Art:** Create little works of art for the outdoors and add to God's beautiful nature scene!

**Gardening:** Dig in!! The dirt, that is!! Learn the who, what, when and where of flowers and other plants.

**Mosaics:** The creation story tells us how God created this beautiful world piece by piece. Join us and see the beautiful things you can create from little pieces!

**Music Madness:** "Make a joyful noise unto the Lord, all the earth" Psalm 98:4. Come on in this class and let's make some noise!

**Music Theater:** Singing, acting, and even a little moving as you prepare a mini-musical to perform Thursday night. This year we welcome an experienced director who will be incorporating vocal techniques as you practice the show. This class will be your focus and one rotation each day.

**Outdoor Skills:** Jesus' disciples weren't just fishers of men, but fishermen! Have fun learning outdoor skills including making fishing lures!

**Painting with Paula:** Watercolors is just one of the ways you can turn a blank canvas into a masterpiece!

**Paper Creations:** Explore your inner scrapbooker!! Make a card for your bff, a bookmark for your mom, and a scrapbook for you!

**Pathways to Prayer:** God wants to listen to you and talk to you! Come learn how to talk with God through prayer, journaling, and other fun ideas!

**Quilting:** Learn a beautiful tradition of hand stitching love into works of art.

**Room Décor:** Create things for your room that reflect your personality and God's goodness!

**Science:** Have fun doing experiments as you learn about God's amazing creation.

**Sewing:** Presser foot, bobbin, pedal, and spool – these sewing items are just a few tools...whether it's something to wear or something to hang – you'll find that this class packs quite a bang!

**Sign Language:** Learn another language as you communicate with your hands and your heart!

**The World Around Us:** Does everybody you know look the same, talk the same, or believe the same? Enjoy this class as you explore the world around you making crafts and learning traditions.

**Tone Chimes:** "...all of them trained and skilled in music for the Lord..." 1 Chronicles 25:7. You too can be trained to make beautiful music for the Lord!

**Wood Working:** Carpenters have been around since the Bible times. Using a hammer, some sandpaper, and a few other wood crafting tools, you can make a cool project and get a glimpse at what it might be like to be a carpenter.
