Would you like a fun and safe activity for your children while getting to know new friends yourself? Come join the fun! Moms and Tots is a playgroup open to moms, dads, grandparents, caregivers and their children. The group is for kiddos who range in age from birth to kindergarten, but for the summer, we would love to have big brothers and sisters come along and enjoy the fun, too! This summer, we have planned activities to beat the Summer-time boredom! Please join us - bring an old friend and make a new one!
