

Dear Student,

You are receiving this letter because you are registered to go on our **2010 Poverty Simulation**, which is June 25-27 (*that is next weekend incase you are wondering*). Inside you will find all the details you need to know concerning the trip.

Just so you know this is an extremely safe trip as long as you follow the packing guidelines and rules that we will layout for you the day we leave. **We will be meeting at the church at 3pm on Friday.** It is important that you be here on time!

The weekend is designed in a structured experiential learning approach. The impact of the weekend is greater when the participants do not know all the details. However, ***please let your parents know that I am more than willing to answer any questions they might have concerning the exact details of the weekend.*** Please keep in mind that you are attending a **Poverty Simulation** so the weekend will be difficult but at the same time amazing. My prayer is that you show up on Friday with an open heart to what God has in store for you.

I look forward to spending the weekend together! If you have any further questions or concerns please feel free to contact me at **281.660.7250**.

In Christ,
